## 1. INTRODUCTION

To begin with, C. V. Raman Global University, Odisha (CGU, Odisha) started in the year as a degree level engineering college named as C. V. Raman College of Engineering (CVRCE). Since its inception, it being wedded to quality, it has steadfastly remained committed to bringing about rapid transformations in the field of technical education by imparting high quality education and training through its well- equipped smart classrooms, world class labs, unbeatable Centers of Excellence and a rich library having connectivity with the leading libraries of the world. These are some of the shining feathers in the crown of CVRCE which helped the institute grow into a university in record time.

CGU, Odisha has also inherited the following things from CVRCE: a well geared system, a responsive and supportive management, rich infrastructure, among a host of other things. In reality, the story of CGU, Odisha is synonymous with the story of CVRCE.

CGU, Odisha was established in 2020 as per "Odisha Act 01 of 2020". Although this University is newly born, it takes pride in its rich heritage. Aiming to improve the scholastic ability and effectiveness of the quality education system across the globe, the University is committed to expanding the scope of the existing departments and also to opening new ones to deliver multi as well as inter-disciplinary courses by accelerating the present sectorial focus of its mother Institute.
