

C. V. Raman College of Engineering, Bhubaneswar

CIRCULAR

CVRCE/PO/085/15

Date: 01.12.2015

Department of Chemistry, CVRCE is organizing a **Faculty Development Programme (FDP) on Recent Developments in Chemical Sciences (RDCS-2015)** from 7th to 11th December, 2015 in ME-205. The FDP aims at exploring potential and thrust research areas in the field of advance and applied Chemical Sciences. The idea of the FDP is to enhance knowledge on the recent developments in Chemical Sciences. Eminent speakers from IIT Bombay, NISER Bhubaneswar, SINP Kolkata, CSIR-IMMT, Bhubaneswar etc. are being invited to deliver technical talk for the FDP. Interested faculties can contact "Head, Chemistry" and are requested to attend the programme.
