

C. V. Raman College of Engineering, Bhubaneswar

Office of the Principal

NOTICE

Ref : CVRCE/Prin/ SN/024/2019

Date: 18.03.2019

On the eve of **Holi**, I take this opportunity to extend my greetings to students and all the family members of CVRGI.

It is expected that on completion of Holi celebration on **Friday, the 22nd of March, 2019**, normal academic activities for CVRCE would be fully functional on the following day as per the time table.

Additionally, **there should not be disturbance in regular classes on Thursday, the 21st of March 2019** and Holi Celebration should be avoided in the campus during Class Hours on the said day.

Students are being urged to note that we have been working under tight academic schedule while accommodating various extra-curricular/celebration time for the students in the Institute. Students are expected to cooperate in this process.

Any disruption of academic activity in the name of extended celebration in the campus on **Thursday (21st of March 2019)**, **Saturday (23rd of March 2019)** and beyond would be considered as an act of indiscipline to be viewed seriously.

HoDs / Deans are requested to departmentally monitor aberrations, if any and ensure that conduct of regular classes remains undisturbed.

(Bhabes Bhattacharya)

Principal

CVRCE, Bhubaneswar
