Shaping futures with experience and expertise

ince 2001, B.N.M. Institute of Technology (BNMIT) has emerged a prominent institution M.Tech and MBA programs.

in Karnataka, under the philanthropic and visionary leadership of Founder and Managing Trustee, N. Raghunath Rao Maanay, and Founder Secretary, Prof. Sunanda P. Jadhay, further enhanced by Secretary, Narayan Rao R. Maanay.

Attaining autonomy in Vidyavāmruthamashnuthe 2021, one of the premier insti-

tution with a lush campus offers undergraduate programs in Computer Science, Electrical & Electronics, Electronics &

Communication, Mechanical, Information Science, and Artificial Intelligence & Machine Learning, alongside

> BNMIT's infrastructure includes Wi-Fi network, digital classrooms, laboratories, Centers of Excellence, skill labs, conference/seminar halls and auditorium. The outcome-based educa-

tion system employs projectbased teaching-learning techniques, which emphasise skill development. Centres of Excellence and Engineering Exploration Lab and Experiential Learning Lab help carry-out

HIGHLIGHTS:

- Ranked in the Band "Performer" under "Colleges/Institutes (Private / Self-financed) (Technical)", and in the 26-50 bracket by ARIIA
- Ranked 151-300 in NIRF innovation category
- All eligible programs have NBA accreditation
- "A" grade certification from NAAC Listed among the top 100 institutions
- in India by reputed publications LMS and Microsoft Teams for online
- QS IGAUGE* awarded BNM Institute
- of Technology with a Diamond College

FOR THE CRITICAL THINKERS OF TOMORROW

HARIDWAR UNIVERSITY: CULTIVATING TOMORROW'S VISIONARY TECHNOCRATS AND ENTREPRENEURS THROUGH MULTIDISCIPLINARY IMPECCABILITY

nspired by the vision of Make in India/ Skill India, coherent with the rapid digitization and enhancing start-ups, Haridwar University is way ahead in mentoring the students to become world class technocrats & entrepreneurs with integrity, professionalism and ethics. Based on NEP 2020, Students are made richer in cognitive skills, reasoning, innovation and keeping pace with the current trends with multidisciplinary

Multidisciplinary studies have now overlapped the trend of 21st century with its wide range of transformational perspectives. HU is quite aggressive in pro-

viding demand led and competency-based study, instead of following conventional pattern. Critical thinking skills are developed to jump across disciplinary boundaries. This makes the students well equipped in flexibility, adaptability, PBL and solving skills, using latest technology to become outstanding achievers, leaders and stakeholders. Needless to say,

that it's focus on purposefulness, EQ, instead of IQ alone and mindfulness is a unique feature of the University teaching. making it a temple of learning, flexibility and revolution.

Collaboration with the well-known corporations like NASSCOM, L&T EDU has inspired the students with valuable inputs, practical experiences in real world problem solving. L&T has been conducting short term & long-term value-based courses, not only to make academic professionals in latest technology but also industry ready. L&T is infusing knowledge in AI, Python, Cyber security, ML,

etc. to the students which will encourage to fulfil the needs of the day. To cultivate a strong culture of entrepreneurship, starts-ups and incubators besides a focus on research and innovation, University is running programs like MBA Global, Retail & Pharma Management which are accepted globally. MBA Global are assumed to have assured placement letter. Final outcome of all these efforts is reflected by the placements. Their students are regularly getting placed with a remarkable record placement, the highest package offered as of 85 LPA with an average package of 6 LPA.

Haridwar University is proud to embrace technology as an enabler of education. They are committed to provide the students with cutting edge tools, latest programs and platforms, ensuring that they are equipped to lead in the digital future and fulfil the dream to make India a "Vishwaguru"
