ESTD. 200

ISBM College of Engineering Preparing students for real-world challenges and opportunities

SBM College of Engineering Established in the year 2010 by Dr. Pramod Kumar is one of the best Engineering College in Pune. It is Accredited by NAAC grade of B++ a constituent of People's Empowerment Group. It has a rich history of producing competent professionals who are able to succeed in

a competitive environment. The vast list of ISBM COE Alumni holding leadership roles in companies across the globe is a testimony to this fact. ISB&M is spearheaded by Dr. Pramod Kumar, an internationally acclaimed Manage

ment Expert and Educator. He was previously associated with institutes like XLRI, IIM-Ahmedabad and Symbiosis. ISB&M faculty are graduates of the top Management and Engineering Institutes of India such as IIM's, XLRI, FMS and

SP Jain. ISB&M has campuses in Pune, Kolkata and Bengaluru and over 24 years has created a strong reputation for itself in the field of education. ISB&M OPERATING PHILOSOPHY AS PREACHED

AND PROMULGATED BY DR KUMAR

• Always look for and follow Dr. Pramod Kumar

the best practices and standards Maintain national and global character • Teach students how to succeed in the corporate world

LEARNING WITH OBJECTIVE:

- Build Professional capabilities to serve value & resourceful life
- Be informed over issues & research to build your conceptual and information

capabilities • Develop intellectual and professional competence through intellectually engag-

ing processes • Communication & Articulation - overcome your hesitation & express your thoughts. • Action Orientation learning programme Personal proficiency devel-

opment through workshops, adventure sports, debates & business strategy plans

FOSTERING QUALITY TECHNICAL EDUCATION FOR FOUR DECADES

77

BLDEACET

n an era characterised by rapid technological advancement and global interconnectedness, it is imperative for technical education to be globally competitive. Such competitiveness ensures that students are equipped with the skills, knowledge, and mindset necessary to not only keep pace with the ongoing technological revolution but also actively contribute to it.

BLDEA's Vachana Pitamaha Dr. P. G. Halakatti College of Engineering and Technology (BLDEACET), Vijayapura, is hailed as one of the prestigious technical institutes in Karnataka. BLDEACET was established in the year 1980, by a century old philanthropic trust, BLDE Association Vijayapura, with a mission to provide high quality technical

education to students belonging to every section of the society. BLDEACET is affiliated to Visvesvaraya Technological University (VTU), Belagavi and approved by AICTE New Delhi. BLDEACET is one of the few institutes in which all eligible undergraduate programs are accredited by NBA (National Board of Accreditation)

New Delhi. The institute is also accredited by NAAC (National Assessment and Accreditation Council) with A+ grade.

BLDEACET is among the best engineer ing colleges in India and is a dream institute for many budding engineers. The distinguished alumni have occupied coveted positions in several national and international organisations and industries. The well planned, beautiful and eco-friend-

ly landscaped campus adds to the inspiring and nurturing learning environment. BLDEACET has industry supported labs and centers of excellence in all departments, in association with national and international organisations. The institution has a team of highly qualified, learned

and dedicated faculty with expertise in all major disciplines of engineering and technology, who are a constant source of inspiration for the stu-

dents. BLDEACET follows outcome based education and experimental learning. The scholarly research and innovation work of the faculty is published in peer reviewed and refereed journals. The outcome of the research is used for strengthening and

The academic activities of the institute are focused in moulding students, so that they become renowned technocrats, successful entrepreneurs, competent leaders, innovative scientists and researchers. Apart from academics, the institution inculcates social values and social awareness through co-curricular activities, sports and cultural activities. BLDEACET has established strong industry links and collaborations with premier research organisations. The training and placement cell of the institute continuously strives for overall development of students. Numerous reputed industrial and consultancy corporates visit the institute for recruitment and the students bag stellar profiles and packages

tion at K.R. Puram is affiliated to

ited by NAAC with A+ grade.

CIT primarily focuses on different pedagogical tools, ICT enabled teaching and experiential learning. The institute is successfully implementing OBE to impart quality education and achieve academic excellence. CIT has established advanced research labs on emerging technologies to promote a research culture in the campus. The full-fledged CC-CIR on campus focuses on training students in niche areas and opportunities to work on sponsored and funded projects.

tion and entrepreneurship. nurturing 10 startups and supporting students through a special program called CHOSS- Cambrian House of Student Startups. The institute has collaborations with Samsung, Synopsys, Eos and many more.

CIT also encourages students to participate in extracurricular, co-curricular and sports activities in addition

Over two decades of promoting quality engineering education

S. Engineering College (MSEC) established in 2002 under the M. S. Educational Trust, led by K. Muniswamy Raju, Founder President and Sudarshan Raju, Secretary, has been committed to providing quality technical education. The institution located near Bengaluru International Airport, on an eco-friend-

ly campus extending across over 25 acres, offers UG courses, PG courses and PhD programs in engineering, approved by AICTE and affiliated to VTU. MSEC offers a Wi-Fi enabled campus with

advanced infrastructure including R&D centers, skill labs, innovation labs, ED cells, sufficient numbers of Chief Patror computer labs, smart Late K. Munis classrooms and LCD

projectors and exclusive seminar halls with AV systems.

Over the past 20 years, MSEC has

For a global perspective

Shri Ram Group, Jabalpur -Academic quality and commitment to fostering future leaders

Shri Ram Group, established in 2001, is one of the leading institutions Uin Jabalpur, MP, known for its academic quality and commitment to fostering future leaders. The Shri

Ram Institute of Technology, founded under the mentorship of Dr. Shiv Prashad Kosta, a renowned scientist and former Director of ISRO, has grown rapidly over the past 23 years, initially with 245 students on a 10-acre cam-
