## **Net Zero Club**

Dear Students,

We are excited to announce a **Poster Making Competition** organized by the **Net Zero Club, CGU**, to raise awareness about sustainable urban development and the importance of reducing carbon emissions in our cities.

### **Event Details:**

**Theme/Topic: *Smart Cities, Zero Carbon – Envisioning a Sustainable Urban Future***

**Platform: CANVA (Free Version Only – Premium features not allowed)**

*(Students are allowed to improvise and be innovative while strictly adhering to the use of colouring materials and canvas size)*

**Date and Time: 8<sup>th</sup> February 2025, from 03:00 PM to 05:00 PM (Duration: 02 hours)**

**Venue: To be announced suitably before the event [ME002/ME003/Class Room 4 (MBA Block)]**

This is a great opportunity for all students to showcase their creativity and design skills while promoting awareness about sustainable urban development through compelling visual presentations.

### **Important Instructions:**

- Participants **must bring their laptops** (full battery/fully charged) with Canva (free version) installed or accessible via a web browser.
- **Internet connection:** Participants are **required to arrange for their own internet connectivity** to access Canva during the event.
- **Poster Creation:** Posters **must be created from scratch during the competition**. Pre-designed or pre-prepared templates are strictly prohibited.
- **Design Elements:** We encourage you to incorporate innovative design elements, infographics, and **impactful messaging to convey your vision of zero-carbon smart cities** using only free Canva features.
