

CPOG-2025

NATIONAL SEMINAR "CORROSION AND ITS PREVENTION – OIL & GAS INDUSTRY"

07 March – 08 March 2025 at C V Raman Global University, Bhubaneswar, Odisha

Program / Schedule

Day-1: Inaugural Function (07 March 2025 , Friday: S. C. Bhadra Auditorium)

Time	Activity
09:00 - 09:45	Delegate Registration
09:45 - 11:00	National Seminar Inauguration
11:00 - 12:00	Plenary Talk Mr. K B Singh, Chair-CPOG-2025 Founder - KBS Associates Impact and Importance of Corrosion on Oil and Gas Infrastructure in India
12:00- 13:00	Plenary Talk Dr. Soobhankar Pati, IIT Bhubaneswar Corrosion Protection in Metallic Bipolar Plates in PEM Fuel Cells
13:00 - 14:00	Lunch - RIHC Lawn
14:00 - 15:00	Poster Session & Product Display & Networking- RIHC Auditorium
15:00 - 15:30	Tea / Coffee (Table Space - Display & Networking)

CORROSION IN PETROCHEMICAL, REFINERY AND FERTILIZER INDUSTRY (Bosch Auditorium)

15:30 - 16:00	Keynote / Invited Talk Mr. Ganesh Prasad , Alleima India Pvt Ltd Corrosion Resistant Alloys for Refineries & Petrochemical applications
16:00 - 16:30	Keynote / Invited Talk Dr. Anil Bhardwaj (Fellow AMPP) - Former GGM ONGC Useful Metallurgies for OCTG not in Practice in Indian E&P Industry
16:30 - 17:00	Keynote / Invited Talk Dr. G.N. Rao - Adjunct Professor - Andhra University Generation of Oil and Gas and how it may affect corrosion in Petroleum and Production industry
17:00 - 17:30	Tea / Coffee (Table Space - Display & Networking) - (RIHC Auditorium)

Day-2: Technical Program (08 Feb 2025: Saturday - Bosch Auditorium)

COATING LINING AND CHEMICALS

09:30 - 10:00	Keynote / Invited Talk Mr. Denzil DCosta, Technical Manager Graco India Coating Application for Pipeline
10:00 - 10:30	Keynote / Invited Talk Dr. Buddhadeb Duari, MD- Lalita Infraprojects Pvt Ltd Comparative Study of Characteristics of Solvent Free Organic Coating With Conventional and Nano Fillers
10:30 - 11:00	Keynote / Invited Talk Mr. K B Singh, Founder - KBS Associates
11:00 - 11:30	Tea / Coffee (Expo Visit & Networking)

CATHODIC PROTECTION SYSTEMS

11:30 - 12:00	Keynote / Invited Talk Mr. Pankaj Panchal - CP Specialist Director- Corrosion Protection Specialist Pvt. Ltd Cathodic Protection and AC / DC Interference Challenges in India
12:00 - 12:30	Keynote / Invited Talk Mr. Anshul Jain - CP Technologist Head CP - Dehn India Pvt Ltd Indian statutory requirements and international standards for Cathodic protection and AC – DC interference for pipelines
12:30 - 13:30	Contributory Talk Dr. Jayashree Mohanty, Professor, C V Raman Global University Corrosion Prevention through Electrochemical De-oxidation

13:00 - 14:00 Lunch (Table Space - Display & Networking) - RIHC Lawn

CORROSION CONTROL IN PIPELINE & CITY GAS DISTRIBUTION

14:00 - 14:30	Keynote / Invited Talk Mr. K B Singh, Founder - KBS Associates
14:30 - 15:00	Keynote / Invited Talk Dr. Anil Bhardwaj (Fellow AMPP) - Former GGM ONGC Pipeline Internal Corrosion Risk Assessment
15:30 - 16:00	Keynote / Invited Talk Mr. Anshul Jain - CP Technologist Head CP - Dehn India Pvt Ltd Significance of computer modeling and simulation in AC interference Study of Pipelines

16:00 - 16:30 Tea / Coffee (Table Space - Display & Networking)

17:00-17:30 Valedictory Function & Vote of Thanks (Bosch Auditorium)
