

*A brief profile of Prof. Guda Sridevi,  
Pro-Vice Chancellor, C.V. Raman Global  
University, Odisha*

Prof. Guda Sridevi joined in the post of Pro- Vice Chancellor of CGU in November 2024. Dr. G. Sridevi obtained her B. Tech degree from Kakatiya University in 1990, followed by an M. Tech from R.E.C. Warangal in 1992, and a Ph.D. from JNTUK, Kakinada in 2012. She has 30 years of comprehensive academic experience in prestigious institutions, encompassing teaching, administration, and research roles. She served as a faculty member at RVR & JC College of Engineering in Guntur for 18 years and at C.V. Raman College of Engineering in Bhubaneswar for 4 years. She worked for 8 years at B.V. Raju Institute of Technology, Narsapur, during which time she held the position of Professor and Head of the Civil Engineering Department.

Dr. Sridevi has authored more than 50 papers for both international and national journals and conferences. She is an active member of professional societies such as the Indian Geotechnical Society and the American Society of Civil Engineers, and takes an active role in organizing student competitions through IGS. Her contributions to academia include organizing seminars, conferences, and workshops, serving as chair and co-chair at various conferences/events, and she has also been involved in seminar and conference organizing committees.

Her research focuses on soil stabilization using industrial wastes and pavement geotechniques. Dr. Sridevi has been serving as a National Executive Committee member of the Indian Geotechnical Society (IGS), New Delhi, continuously for three terms since 2019. She is currently

holding the same position, demonstrating her dedication and commitment to the field of geotechnical engineering and the society's objectives. Additionally, she is serving as the Secretary of the American Society of Civil Engineers (ASCE), Southern Region.
