NOTICE

We are delighted to announce that the Space Club of C. V. Raman Global University is organizing a Freshers Introduction Program on 30th August, 2025. This special event has been designed to warmly welcome all our new members and give them a chance to connect with the existing members of the club.

The session will serve as an introduction to the vision, objectives, and exciting projects of the Space Club. At the same time, it will provide a platform for students to interact, share their ideas, and start building strong collaborations.

What to expect in the program?

- Introduction of freshers & interaction with senior members.
- Orientation on the objectives and activities of the club.
- Fun-filled activities, quizzes, and discussions on space science & innovation.
- An open forum where you can present your ideas and interests.
- This is not just an orientation, but the beginning of a journey where we learn, explore, and innovate together.

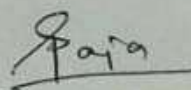

Venue: EE402 (Space Club Room)

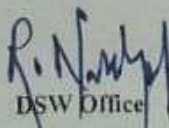

Date: 30th August, 2025

Time: 3:00PM to 4:30PM

We warmly invite all freshers (new to the Space Club) along with our existing members to be part of this interactive session. Let's make this gathering a memorable start to the academic year.
