CGU Coding Club

Dear Students,

The **CGU Coding Club** is excited to host a **Career Building and Guiding Session** called **CAREER-UP x DSA CONTEST** on **30th August** at **3:30 PM** in **EB302**.This event is designed to support students at every stage of their coding journey. First-year students will get a strong foundation in coding, exploring problem-solving platforms, version control, and core DSA concepts. Second and third-year students can sharpen their skills through a HackerRank DSA contest, along with tips on interview preparation, competitive programming, and career growth in software engineering.

Join us to strengthen your coding skills, gain practical exposure, and prepare for future opportunities in tech!.

Key Highlights:

● Introduction to programming basics for beginners.
● Hands-on exposure to LeetCode, GitHub, and Data Structures & Algorithms (DSA).
● DSA Coding Contest on HackerRank for 2nd & 3rd years.
● Guidance on competitive coding and interview preparation.
● Career roadmap discussion to connect academics with industry skills.
● Tips on building strong coding profiles and showcasing projects.

Important Points:

● Open to all CGU students.
● Please maintain discipline throughout the session.
