About the Conclave

VIMARSH – The HR Conclave 2025 is an initiative by the Department of Business Management, C. V. Raman Global University, to provide a platform for dialogue and collaboration among HR professionals, academicians, researchers, and students. The theme, “Transforming Workplace for the Future – Innovation, Inclusion & Wellbeing,” focuses on how organizations can build resilient, equitable, and human-centric workplaces in the face of technological transformation and evolving employee expectations.

The conclave aims to bring thought leaders to share insights, exchange best practices, and discuss the emerging dynamics shaping the future of work.

About the University

C. V. Raman Global University (CGU), Odisha is one of India’s leading multidisciplinary universities committed to academic excellence, research, and innovation. Through initiatives like VIMARSH, CGU aims to foster meaningful industry-academia engagement and empower future leaders with transformative ideas.

About the Department

The Department of Business Management at C.V. Raman Global University, Odisha, established in 2007, is committed to nurturing future-ready business leaders through innovative teaching, research, and industry engagement. The department offers undergraduate, postgraduate, and doctoral programs with specialisations in HR, Marketing, and Finance. It emphasizes experiential learning through corporate talks, industrial visits, and skill development activities that bridge the gap between academia and industry. With a strong focus on ethics, leadership, and employability, the department strives to create competent professionals equipped for the dynamic global business environment.

Objectives of the Conclave

- To discuss the transformation of work and workplace in the digital age.
- To explore innovative practices fostering inclusion, equity, and diversity.
- To understand the growing emphasis on employee wellbeing and mental health.
- To create an interactive platform for industry-academia collaboration.
- To inspire students and professionals towards future-ready HR practices.

Expected Outcomes

- Insightful discussions on workplace transformation, inclusion, and wellbeing.
- Opportunities for networking and professional collaboration.
- Exchange of practical strategies for building future-ready organizations.
- Enhanced understanding of the changing HR landscape in India.
