**Sub.: Restoration of Online Access to End Semester Results and clarification on "S" Grade.**

Online access to the End Semester results of UG & PG courses, which had been temporarily suspended due to certain issues that arose after initial publication, has now been fully restored following successful resolution of those issues.

During the resolution process, students who had been debarred from appearing in the End Semester Examination has been marked as absent and their grade has been shown as "S". A list of such debarred students is maintained in the Office of Pro Vice Chancellor. These students will be required to appear for both continuous assessment and end semester examination during the upcoming Summer Quarter.

Additionally students who were absent in the end semester examination, but were not debarred, have also been assigned the "S" grade. These students will need to appear only for the end semester examination in the Summer Quarter.
