DESIGN THINKING CLUB

Notice

Date: 19.08.2026

The Design Thinking Club, C. V. Raman Global University is preparing to participate in SAE SUPRA INDIA 2027, where our team will design and build an Internal Combustion (IC) Formula-style vehicle. We are inviting motivated and committed students to join the SAE SUPRA 2027 Team and the Design Thinking Club.

Selected members will get hands-on experience in: **SolidWorks • ANSYS • CAD/CAE • Chassis & Vehicle Design • Automotive Systems • Fabrication • Manufacturing • Testing**

Students interested in automobiles, motorsports, engineering, design, simulation and fabrication are encouraged to apply. Prior experience is not mandatory; willingness to learn and commitment are essential.
