NOTICE

The CGU Space Club, C.V. Raman Global University is pleased to organize a hands-on workshop on “**Embedded Systems**”. The workshop aims to provide students with practical exposure to hardware, programming, interfacing, and control systems. The session will be interactive and will help students understand the practical applications of embedded technology.

EVENT HIGHLIGHTS

- Introduction to Embedded Systems and their Applications
- Hands-on session with hardware and microcontrollers
- Understanding programming and interfacing
- Real-time demonstration and project building
- Applications of Embedded Systems and IoT
- Interactive learning and expert discussion

TOPIC :- Workshop on Embedded Systems

DATE :- 12 September 2026 (Saturday)

TIME :- 10:00 AM Onwards

VENUE :- CGU Space Club, EE-402

The workshop is open to all students of C.V. Raman Global University. Students from all branches and academic backgrounds are encouraged to attend and gain valuable practical knowledge about embedded systems.

Organized by:

Space Club

C.V. Raman Global University

Dr. Laxminidhar Senapati

Assistant Professor, EE Department
