NOTICE

The Photography Club of C. V. Raman Global University is pleased to organize a "**Monochrome Workshop**" on **26.9.26 (Saturday)** within the university campus.

Event Description:

- This workshop is an introduction to monochrome photography. Participants will learn what monochrome photography is and what we are going to teach through practical guidance and examples.
- Participants will learn how to create impactful photographs using shades, tones, light, and shadow instead of relying on colour.
- The session will cover composition basics such as framing, subject selection, contrast, textures, patterns, lines, and visual balance.
- Participants will explore how light and shadow can add depth, mood, and emotion to black-and-white photographs.
- The workshop will also explain how everyday subjects can be captured creatively by focusing on shapes, details, and tonal variations.
- Basic tips for capturing and editing monochrome photographs, including brightness, contrast, and tonal adjustments, will be discussed.
- Participants will get an opportunity to experiment with their own phones or cameras and understand monochrome photography as a form of visual storytelling.
