NOTICE

Date: -16/09/2026

Event: Robosense -Sense, Think & Move : Building Autonomous Robots

The **Robotics Club** of *C. V. Raman Global University* is organizing a “**Robosense - Sense, Think & Move: Building Autonomous Robots**”, an exciting hands-on session where students will explore how robots sense their surroundings, make decisions and perform autonomous movements.

Event Details:

- **Date:** 19th September 2026
- **Time:** 11:00 AM Onwards
- **Venue:** EB 202
- **Department:** Electronics and Communication Engineering
- **Registration Link:** <https://forms.gle/eu6Q1H24QCoREVUu9>

Interested students are encouraged to register and actively participate. **Participants are advised to bring their own laptops.**

For registration and queries, please contact:
