Net-Zero Club CGU

NOTICE

The Net Zero Club is organising a **visit to the Sewage Treatment Plant (STP)** at C. V. Raman Global University (CGU) to provide students with an opportunity to understand the functioning of the STP and to create awareness on sustainable wastewater management and environmental conservation.

All interested UG students from different branches of CGU are hereby informed to participate in this visit. Students are advised to be present at the venue on time.

Event Details

Event : Visit to CGU Sewage Treatment Plant (STP)

Date : 10th Oct, 2026 (Saturday)

Time : 11.00 AM Onwards

Venue : STP in CGU

Eligibility : UG Students (All Branches)

Dr. Biswabandhu Chatterjee

Club Coordinator

Dr. Rakesh Kumar Patra

Club Co-coordinator

Net-Zero Club CGU

NOTICE

The Net Zero Club is organising a **hands-on assessment of the Sewage Treatment Plant (STP) health by conducting Dissolved Oxygen (DO) test and Sludge Volume Index (SVI) test** at C. V. Raman Global University (CGU). The session aims to provide students with practical exposure to key wastewater quality and sludge characterisation parameters used for monitoring the performance of an STP, along with awareness on sustainable wastewater management.

All interested UG students from different branches of CGU are hereby informed to participate in this event. Students are advised to be present at the venue on time.
